the French in the Argonne region have been recaptured.

The official report is as follows.

The attempts of the enemy to recapture the lost terrain nerth and northeast of Ypres have failed. The French and English attacks have been broken down by the accuracy of the German fire. The number of French and English prisoners has been increased to 2,170. We have taken thirty-five cannons, besides a large number of machine guns, rifles, much ammunition and war materials.
